UIL Primary & Secondary School Preparation

The Union Institute of Language's Primary School Preparation Program and Secondary School Preparation Program are designed to prepare students to enter primary and secondary school at the students' choice of Registered EQI Schools and Partner Independent Schools.

Both programs achieve the following:

- Prepare students for their transition to schooling in Australia by immersing them in an English-speaking context and engaging them with relevant curriculum.
- Equip the students with the skills they need to be capable and confident learners.
- Allow students to meet all the English Language entry criteria for their school program at EQI and Independent Schools.
- Consist of 25 hours of study per week, with 20 hours in the classroom and 5 hours of "English in Practice" activities.

*Students can commence on any Monday and the duration of the program will depend on the student's current level of English.

Other UIL Services

- UIL can provide a free English assessment for students in their home country in order to recommend the amount of English study each student requires, allowing the program to be customised to the needs of each individual, assuring success.
- UIL's teaching staff are experienced in assisting students with advice relating to their progress, future study plans and any issues they may encounter during their time in Australia.
- UIL manages its own Homestay Program of over 500 experienced, local families excited to host international students.
