You should arrive in time for the first day of your program. Late entry is not always possible where there are set start dates.

### Step 1

Select the English course you would like to study, taking note of the duration, cost and any set start dates before completing the application form. You should also check with any follow-on Institution to make sure you will finish your English (and possible have a holiday) before your next course commences.

### Step 2

- Letter of Offer (quotation)
- Name and duration of the programs you have been accepted into

### Step 5
